### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to University Governors.

*You asked: All questions are shown as received by the Trust.  
How many organisations are compliant with the UHA guidance which states that:*

*"If any of a foundation trust's hospitals have a formal relationship with a medical or dental school provided by a university, at least one member of the council of governors must be appointed by that university".*

*Could I ask that you therefore send me the number of governors you have from a University .*

Trust response:

Maidstone and Tunbridge Wells NHS Trust is not a foundation trust. All questions are not applicable.
