### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Verita report.

*You asked: All questions are shown as received by the Trust.  
In September the trust paid consultancy firm Verita for a clinical governance review.  
I would like to see a copy of the terms of reference for this work please, as well as the report produced and any other outputs.*

Trust response:

The review carried out by Verita was not a general overview of governance but related to a specific patient's care. Both the terms of reference and the final document hold patient identifiable details and will not be released under Section 40.2 of the Act.
