

Divisional structure

We are clinically-led.

In 2018 we moved to a clinically-led structure to put our expert clinicians at the heart of everything we do and enhance our ability to improve our patient and staff experience.

Our executive team are supported by five clinical leadership teams who oversee each of our clinical divisions: Medicine and Emergency Care, Core Clinical Services, Surgery, Cancer and Women's, Children's and Sexual Health.

Division	Leadership team
Cancer	
<ul style="list-style-type: none"> Cancer Performance Clinical Haematology Core Cancer Services 	<ul style="list-style-type: none"> Oncology Outpatients
