27 February 2024

## **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Gynaecology.

*You asked: All questions are shown as received by the Trust.*

*1. How many people have been on waiting lists for gynaecology treatment between 30 January 2021 and 30 January 2024?*

*2. How long is the average wait for treatment in gynaecology in this period?*

*If you could, please break the figures down by year and by the general type of treatment in Excel format.*

Trust response:

The Trust is unable to provide details of a 'general type of treatment' as there is no general code, it's either specific code or speciality code.

Details of waiting times can be found using the below link:

<https://www.england.nhs.uk/statistics/statistical-work-areas/rtt-waiting-times/>

These are fully available statistics which allows you to browse by month.

To find the information requested please:

- select a year from 'Latest data';
- choose a month;
- open the files called 'Incomplete Provider [Month] (XLSX, [file size])'
- Search for 'maidstone' in the provider name column (can you use ctrl+f to do this after opening the file)

You will then be able to see how many people were waiting and the median wait time for that month.
