Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Information Technology.

You asked: All questions are shown as received by the Trust.

1. *Has Microsoft (or a third party on its behalf) carried out an audit of your Microsoft software assets in the last 8 years?*
2. *If so, what date did any such audits start and finish?*
3. *What is the corporate identity of the party carrying out the audit, e.g. Microsoft or the name of the third-party auditing company?*
4. *Did the audit identify any breaches of, underlicensing, or non-compliance with, your licensing conditions?*
5. *If so, were any incentives relating to such breaches or non-compliance given by Microsoft to encourage your organisation to move to Microsoft cloud subscription licences?*
6. *If so, please provide details of these incentives.*

Trust response:

1. The Trust is not aware of any formal audits of our Microsoft software assets being carried out in the last eight years.
All remaining questions are not applicable.
