### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to the patient discharge policy.

*You asked:*

*Please could you send me a copy of your patient discharge policy.*

Trust response:

The Operational Discharge Policy and Procedure is attached to this email. This policy is currently being reviewed and will be available for publication in March 2024.

Please note: A policy review date is not an expiry date and a policy and procedure does not become automatically unfit for purpose solely because its review date has passed. The policy remains effective and in force.
