You asked: All questions are shown as received by the Trust.

1. *How many patients in A&E waited 24 hours or more from time of arrival until admission in each of the following calendar years: 2023, 2022, 2021, 2020, 2019*

2. *Of these patients, how many were aged a) under 18 and b) over 65. Please can you break this information down again by the following calendar years: 2023, 2022, 2021, 2020, 2019*

Trust response:

Please note: The Trust does not have the data pre-2022 as we migrated to a new system in mid-2021. The figures are grouped by admission year.
