### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Cancer diagnosis.

*You asked: All questions are shown as received by the Trust.*

*1. How many fatalities have been due to cancer wrong diagnosis or failure/delay diagnosis in the last three years (Between 2021-up to and including any data held for 2024)?*

*For example: The number of incidents where the Primary Cause is 'Wrong Diagnosis' or 'Failure/Delay Diagnosis' and where both injury codes 'Cancer' and 'Fatality' are recorded?*

Trust response:

1. We have checked our Serious Incident data and cannot find any incidents that meet the criteria requested in the FOI.
