Freedom of Information Act 2000

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Commercial trials.

*You asked: All questions are shown as received by the Trust.
I am trying to understand the level of clinical trials activity that is taking place in the UK. Specifically, can you tell me how many commercial clinical trials have been taking place in this health board during the calendar year of 2023?*

This could be completed trials, or trials that are ongoing. When I say “commercial trials” I mean trials that are funded or sponsored by a commercial company such as a pharmaceutical company.

Trust response:
28 commercial trials across the Trust
