### **Freedom of Information Act 2000**

I am writing in response to your request for information made under the Freedom of Information Act 2000 in relation to Injection side effects.

*You asked: All questions are shown as received by the Trust.*

*1. Please could you tell me how many people have attended the A&E units of hospitals within your Trust between 1.9.23 and 31.8.24 with a medical complaint that was believed to have been linked to their use of the injectable form of semaglutide/tirzepatide/liraglutide or a version of them?*

Trust response:

The Trust is unable to answer this question as there is no reference to injectable form of semaglutide/tirzepatide/liraglutide or similar in the ECDS Snomed terms. This information is not reportable and would require the manual checking of patient records which would take us over the time allowed under Section 12 of the Act.
